NHBS Alert is now the NHBS Monthly Catalogue

Welcome to the first issue of the NHBS Monthly Catalogue, the ultimate buyer's guide to new and forthcoming titles in natural history, conservation and the environment. With 200-300 new titles sourced every month from publishers and research organisations around the world, the catalogue provides key bibliographic data plus convenient hyperlinks to more complete information and nhbs.com online shopping - an invaluable resource. Each month's catalogue will now be sent out as an HTML e-mail (a plain text version is available on request). The full monthly catalogue will also be [online](#), and offered as a [PDF download](#). Furthermore, we have now added our entire 2004 back-catalogue of alerts as a [single PDF](#) - download all titles catalogued in 2004 in one go!

We hope you enjoy using this new format for buying the most up-to-date titles in natural history, science and conservation publishing.

The Monthly Catalogue replaces the NHBS Alert: see our [info page](#) for more details, also our [standard terms and conditions](#). Prices are correct at the time of publication, please check www.nhbs.com for the latest prices. To receive a plain text version of the Monthly Catalogue reply 'plain'. To unsubscribe, reply 'unsub mc'.
