Welcome to the January Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

Backlist Bargains 2007

Backlist Bargains is now available: this year, we offer 2500 titles from major publishers at an average discount of 40%. This represents a perfect opportunity to fill gaps in your collection. [Click here](#) to view the full list, arranged by subject.

Climate Change

The Stern Review on **The Economics of Climate Change** has been published recently. We have gone through the long list of books published on the subject, and put together a list of [key titles on climate change](#).

Best of 2006

We have selected some of our **favourite books of 2006** and compiled a list of **Top 50 Natural History Bestsellers** of the year.

Autumn & Winter Catalogue

The latest seasonal NHBS catalogue of the 3,500 most important new, forthcoming and bestselling titles is still available. [Browse the subject pages](#), or download and print the catalogue as a [pdf-file](#) (5.2Mb).

Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment. We are usually able to offer competitive packages - please contact customer.services@nhbs.co.uk to discuss what we can offer.
