Welcome to the February Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

Backlist Bargains 2007

Our annual sale of 2500 titles from major publishers at significant price reductions is still available until the end of March. We have just updated our bargain selection with more titles, such as:

Marine Ecosystems and Climate Variation (reduced to GBP19.99 from GBP35)

Small Woodland Creatures (reduced to GBP8.99 from GBP12.50)

The Cuckoos (reduced to GBP39.99 from GBP95)

Conferences 2007

After last year's exceptionally busy season, we are now in the first planning stages for this year's conferences in the UK and elsewhere. We'll be selling books at the following conferences and would be delighted to meet you at our stand!

- **The Association of British Wild Animal Keepers 2007 Symposium**, Paignton, UK, 3 - 4 March
- **Student Conference on Conservation Science**, University of Cambridge, UK, 27 - 29 March
- **The 2007 Mammal Society Easter Conference and AGM**, Cirencester, UK, 13 - 15 April
- **British Birdwatching Fair**, Rutland Water, UK, 17 - 19 August

Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment. We are usually able to offer competitive packages - please contact customer.services@nhbs.co.uk to discuss what we can offer.
