Mabberley's Plant Book, third edition prepublication offer

The third edition of the invaluable plant dictionary has been announced for publication in May. The first new edition of this essential reference text for more than 10 years has been updated and expanded to take into consideration the most recent literature, notably the great advances from molecular analyses, and over 1650 new entries have been added. We are happy to announce an [exclusive pre-publication offer of 20% off the list price](#), if you order the book before the end of March.

NHBS at conferences during 2008

We are currently planning our conference schedule for this year. As in previous years, we will be selling a wide selection of books at a number of scientific symposia and conferences across the UK and mainland Europe, and you will have a chance to meet some of the NHBS staff. If you are organising a conference, or are attending one where you would like to see us, please let us know by sending an email to [Anneli Meeder](mailto:Anneli.Meeder).

NHBS Gift Vouchers

We have added a range of [Gift Vouchers](#) to our catalogue; they come in various denominations, starting at œ5, and can be used to order books or other products from NHBS. [Click here](#) to find out more.
