new and forthcoming titles

Issue: 2008/03

March 2008

www.nhbs.com customer.services@nhbs.co.uk +44 (0)1803 865913

Welcome to the March Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

Special Offers

Backlist Bargains is now over for another year, but we are pleased to offer a range of [special offers](#) on new and forthcoming books; click [here](#) to view a full list of special offers, including some older treasures:

- [Mabberley's Plant Book](#), third edition prepublication offer
- [A Guide to the Mammals of China](#), just published, available at a discount
- [Conservation](#), a four-volume set due in June, with a pre-publication offer
- [Encyclopedia of Paleoclimatology and Ancient Environments](#), due to be published in November
- [Marsupials of Australia, Volume 3](#), published in 2005, now available at a greatly reduced price.

NHBS at conferences during 2008

We are currently planning our conference schedule for this year. As in previous years, we will be selling a wide selection of books at a number of scientific symposia and conferences across the UK and mainland Europe, and you will have a chance to meet some of the NHBS staff. If you are organising a conference, or are attending one where you would like to see us, please let us know by sending an email to [Anneli Meeder](mailto:Anneli.Meeder).

Services for libraries and organisations

NHBS provides a comprehensive service to libraries and organisational buyers:

- [Secure international delivery with flexible returns](#)
- [Competitive discounting with multi-currency invoicing on credit accounts](#)
- [Standing orders and series management](#)
- [Title research service for any book in print in any language](#)
- [Personal and responsive customer service from our experienced team](#)

The NHBS Team
