Handbook of the Mammals of the World

From the publishers of the classic <u>Handb ook of the Birds of the World</u> series comes an exciting new series, <u>Handbook of the Mammals of the World</u>. <u>Volume 1: Carnivores</u> will be published in April 2009 – we have a special offer price on this book until 31 March 2009. Please let us know if you would like to set up a standing order for all eight volumes of this book, at the special offer price.

The Wetlands Handbook, Volumes 1 and 2

A major 2-volume reference work to be published in July 2009 providing a comprehensive and functional account of wetlands in the wider global environment. The Wetlands Handbook is a key resource for wetlands managers, researchers and policy decision-makers. Take advantage of our pre-publication offer and save £15!

Buying From NHBS in US\$ or Euro

We display approximate US\$ and Euro prices for books on our website, and if you live outside the UK, you will have noticed that our prices have substantially decreased over the past few months. This is due to the recent currency exchange rate fluctuations, and we would like to encourage you to take advantage of this situation. Please note that we can only charge credit cards in Pounds Sterling, and that your bank will apply the exchange rate of the day to all credit card purchases. We are able to accept bank transfers in US\$ and Euro, if required. Please consult our help section or contact us to find out more.
