

nhbs monthly catalogue

new and forthcoming titles

Issue: 2008/05

May 2008 www.nhbs.com customer.services@nhbs.co.uk +44 (0)1803 865913

Welcome to the May Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

New in Stock

If you would like to keep up-to-date with newly published titles, please check our homepage regularly. We update the highlights weekly, and the bestseller list daily. These great books have arrived recently:

[Raptor Research and Management Techniques](#)

[A Natural History of Conifers](#)

[Atlas of the Fleas \(Siphonaptera\) of Britain and Ireland](#)

[Advances in Fisheries Science: 50 Years on from Beverton and Holt](#)

Trade Distribution News

We are very happy to announce that we have become the official distributors for titles published by the [British Trust for Ornithology \(BTO\)](#) and [The Royal Society for the Protection of Birds \(RSPB\)](#). Large amounts of stock have arrived in our warehouse now and are ready for despatch.

- [All RSPB titles distributed by NHBS](#) (including the little-known but incredibly useful [RSPB Management Guides](#))
- [All BTO titles distributed by NHBS](#)

Curious about NHBS?

We have recently updated our [About NHBS](#) page, with information on our history, the partners we work with, and even some staff photos.

Services for libraries and organisations

NHBS provides a comprehensive service to libraries and organisational buyers:

[Secure international delivery with flexible returns](#)

[Competitive discounting with multi-currency invoicing on credit accounts](#)

[Standing orders and series management](#)

[Title research service for any book in print in any language](#)

[Personal and responsive customer service from our experienced team](#)

The NHBS Team

View this Monthly Catalogue as a [web page](#) or save/print it as a [.pdf](#) document.

Mammals

[Go to subject web page](#)

[Cronin's Key Guide to Australian Wildlife](#)

Leonard Cronin

An indispensable guide to Australia's fascinating monotremes, marsupials and placental mammals.

208 pages | Illus, maps | Allen & Unwin
