Welcome to the June NHBS **Monthly Catalogue**, the ultimate buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

There are 164 botany books in this month's Catalogue! We've added a lot of new botanical titles over the last few months in preparation for exhibiting at the **International Botanical Congress** in Vienna this July. If you're going then we look forward to seeing you there!

There are a number of great marine titles newly available - **Coastal Fishes of Southern Africa**, **Ocean Odyssey** and **Great British Marine Animals** (2nd Edition) are all in stock with **Galapagos Islands Explorer** coming in July.

View this Monthly Catalogue as a [web page](#) or save/print it as a [.pdf document](#).

## Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment.

We are usually able to offer competitive packages - please contact [customer.services@nhbs.co.uk](mailto:customer.services@nhbs.co.uk) to discuss what we can offer.
