Welcome to the June Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

New subject catalogues available

The first of our new subject catalogues is now available online and as a pdf-file for printing:

[NHBS Field Ecology 2007 \(pdf-file, 2.7MB\)](#)

We have selected 500 new and bestselling titles that are essential for any ecology library. More subject catalogues are in preparation, the next one due in early July will be on Ornithology.

Reptiles and Amphibians

A number of [important titles on reptile and amphibian biology](#) have been published in the last few weeks and months. They include:

- [Amphibian Biology, Volume 7: Systematics](#)
- [Lizard Ecology](#)
- [Boas and Pythons of the World](#)

Conferences 2007

NHBS will be selling books at the following conferences this year, and we would be delighted to meet you at our stand!

- [IALE International Association for Landscape Ecology World Congress](#), Wageningen, The Netherlands, 8 - 12 July
- [Ento07: National Meeting and Symposium of the Royal Entomological Society](#), Edinburgh, UK, 16 - 18 July
- [British Birdwatching Fair](#), Rutland Water, UK, 17 - 19 August
- [11th Congress of The European Society for Evolutionary Biology](#), Uppsala, Sweden, 20 - 25 August

To view an up-to-date list of conferences, including book lists of conferences we have already been to this year, view our [Conference Page](#).

Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment. We are usually able to offer competitive packages - please contact customer.services@nhbs.co.uk to discuss what we can offer.
