Welcome to the July Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

Summer conferences

We are bringing our bookstand to several conferences across Europe this summer. The following dates are confirmed for August:

- **24th International Ornithological Congress (IOC)**, Hamburg, 13-19 August
- **British Birdfair**, Rutland, 18-20 August
- **1st European Congress of Conservation Biology (ECCB 2006)**, Eger, Hungary, 22-26 August

[Click here](#) to see our full list of conferences, and the books we are selling there. We hope to see you there!

Current catalogues

The **JNCC Price reductions catalogue** features over 80 key Joint Nature Conservation Committee publications.

The NHBS **Spring-Summer Catalogue** is still available. It features 3500 of the best new and forthcoming titles, plus the best of the backlist, in natural history, wildlife, science and conservation.

The **NHBS Botany Catalogue 2006** contains over 3000 botany titles published since 2001.

Top Ten: Find the current Natural History bestsellers on our homepage at www.nhbs.com! The list of our top ten bestsellers is updated daily.

Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment. We are usually able to offer competitive packages - please contact customer.services@nhbs.co.uk to discuss what we can offer.
