

nhbs monthly catalogue

new and forthcoming titles

Issue: 2005/08

August 2005

customer.services@nhbs.co.uk +44 (0)1803 865913

Welcome to the August NHBS **Monthly Catalogue**, the ultimate buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

This month's highlights include new paperback editions of several classic works: Hugh Tyndale-Briscoe's **Life of Marsupials**, Jay Savage's **The Amphibians and Reptiles of Costa Rica**, Thomas Eisner's **For Love of Insects**, David Rains Wallace's **Beasts of Eden**, Agustí and Anton's **Mammoths, Sabretooths and Hominids**, and de Waal and Tyack's **Animal Social Complexity**.

Our massive **SUMMER SALE** continues. There are over 1700 titles at special summer prices. Visit the **SUMMER SALE page** to pick up a bargain.

View this Monthly Catalogue as a **web page** or save/print it as a **.pdf document**.

Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment.

We are usually able to offer competitive packages - please contact **customer.services@nhbs.co.uk** to discuss what we can offer.
