Welcome to the August Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

Summer Clearance Sale

We have reduced prices by up to 80% on well over 1000 titles across our subject range. In many cases, there is only one copy left - to secure the best bargain books, order now online by email, phone, fax or post. View the full NHBS Summer Clearance catalogue [here](#).

Summer conferences

After a selling books at several conferences in the past two months, we are now settling in for a busy autumn. We enjoyed meeting many old and new customers all over Europe. Our conference booklists are still [available online](#).

Current catalogues

Summer Clearance Catalogue - Reductions of up to 80% per title

The **JNCC Price reductions catalogue** features over 80 key Joint Nature Conservation Committee publications.

The NHBS **Spring-Summer Catalogue** is still available. It features 3500 of the best new and forthcoming titles, plus the best of the backlist, in natural history, wildlife, science and conservation.

The **NHBS Botany Catalogue 2006** contains over 3000 botany titles published since 2001.

Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment. We are usually able to offer competitive packages - please contact customer.services@nhbs.co.uk to discuss what we can offer.
