Welcome to the September Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

Summer Clearance Sale

Summer is on its way out, and so is our clearance sale!

We have reduced prices by up to 80% on hundreds of titles across our subject range! In many cases, there is only one copy left - to secure the best bargain books, order now online by email, phone, fax or post. View the full NHBS Summer Clearance catalogue [here](#).

Biblio Blog

Our **Blog** highlights some new and noteworthy titles that have come into stock recently:

Spider Families of the World

Antarctic Fishes

The World of the Polar Bear

Comments are always welcome. We're updating the blog regularly, so [check back](#) for more.

Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment. We are usually able to offer competitive packages - please contact customer.services@nhbs.co.uk to discuss what we can offer.
