Welcome to the October Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

Autumn & Winter Catalogue now available

The latest seasonal NHBS catalogue of the 3,500 most important new, forthcoming and bestselling titles is now available. [Browse the subject pages](#), or download and print the catalogue as a [pdf-file](#) (5.2Mb).

Staff news

NHBS would like to welcome Nigel Jones to Totnes. Nigel, formerly non-fiction buyer at Ottakar's, has joined NHBS as Sales and Marketing Co-ordinator. Nigel brings tremendous experience to our team and we are looking forward to working with him.

Biblio Blog

Our [Blog](#) highlights some new and noteworthy titles that have come into stock recently:

[Socotra](#) - a natural history of the islands

[Gaining Ground](#) - reviews ecological sustainability and biodiversity loss

[Birding South-East China](#) - a site guide

Comments are always welcome. We're updating the blog regularly, so [check back](#) for more.

Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment. We are usually able to offer competitive packages - please contact customer.services@nhbs.co.uk to discuss what we can offer.
