Welcome to the October Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

New NHBS Subject Catalogue: Primatology

We have published the first in a new series of subject catalogues: The [NHBS Primatology Catalogue](#) presents a round-up of new and bestselling titles in primatology as a follow-up to our attendance at the International Primatological Society Congress in Edinburgh this August. The next subject catalogue on Botany is on schedule for mid-November. Please let us know if you would like to be notified when it is ready.

Handbook of the Birds of the World

It is always exciting to see another volume in this landmark series arrive at our warehouse. [HBW Volume 13](#) has just been published. We are already looking forward to the first volume in another series, closely modelled on HBW: The [Handbook of the Mammals of the World](#), will be launched with a volume on [Carnivores](#) in April.

Special Offers

Our [Special Offers](#) page is updated regularly with new pre-publication and clearance offers. These are some of the current highlights:

- [Wildlife Photographer of the Year, Portfolio 18](#)
- [New Naturalist: Southern England](#)
- [The Wisdom of Birds](#)
- [Primates of the World](#)

Services for libraries and organisations
