## nhbs monthly catalogue

## new and forthcoming titles

December 2006 www.nhbs.com customer.services@nhbs.co.uk +44 (0)1803 86591

Welcome to the December Monthly Catalogue, the most comprehensive buyer's guide to new and forthcoming titles in natural history, conservation and the environment.

#### Best of 2006

We have selected some of our favourite books of 2006 and compiled a list of Top 50 Natural History Bestsellers of the year.

#### **Backlist Bargains 2007**

The popular Backlist Bargains will be back at the beginning of January, with more books than ever: we will be offering over 2400 titles from over 40 publishers at great discounts. Watch this **space!** 

#### **Autumn & Winter Catalogue**

The latest seasonal NHBS catalogue of the 3,500 most important new, forthcoming and bestselling titles is still available. **Browse the subject pages**, or download and print the catalogue as a **pdf-file** (5.2Mb).

#### Discounts for libraries, organisations and large orders

Are you a librarian or responsible for book purchasing within your organisation, or are thinking of placing a large order? NHBS provides a specialised supply service for libraries, organisations and bulk purchasers - handling everything from researching hard to obtain titles to arranging documentation and shipment. We are usually able to offer competitive packages - please contact customer.services@nhbs.co.uk to discuss what we can offer.

The NHBS Team

View this Monthly Catalogue as a web page or save/print it as a .pdf document.
