Why buy from NHBS?

1. Supporting conservation

Our involvement in the *Gratis Books Scheme* and World Land Trust books project has delivered thousands of book donations to ecologists and students in developing countries. Your orders help support this work.

2. Unique product range

We seek out natural history books from all countries and can offer you interesting natural history and science titles that you won't find anywhere else. We also have over 1,000 wildlife products for ecology and wildlife watching.

3. Rapid international service

We stock many thousands of wildlife books and other products so that we can offer quick delivery anywhere in the world from our warehouse in the UK. For those in a hurry we offer a global express service.

4. Amazing customer experience

Our staff are on hand to help online, by phone, Skype, email, fax or via post. We have a passionate interest in wildlife, science and the environment and enjoy answering your questions and helping you find the right product.

5. Experts in natural history

We devote our every working minute to supplying natural history products and have been doing this since 1985. When you buy from NHBS you know that we care about finding you the right books and equipment.

6. Our core values

NHBS exists to support science and conservation by supplying wildlife and environment books and equipment. Everything we do is focused on that. You can read more about our core values online – they are *why* we are in business.
